

KEARNS PUBLIC SCHOOL: WHOLE SCHOOL PHOTOGRAPH

Tuesday, 27 June 2017

Dear Parents,

Just a reminder that the whole school photograph, celebrating Kearns Public School's 25th birthday, will be taken this Thursday, 29th June. We would ask that all students come to school dressed in their full school winter uniform, as they did for our previous school photograph day. On that day, our students made a big effort to dress in full uniform, so we are hoping they can do it once again for this week's photograph.

We would ask that boys wear the correct shirt - the summer polo top is not part of the winter uniform. Both boys and girls must wear a school tie—a short tie for the girls & a long tie for the boys. Shoes should be completely black—no visible colours and any shoe laces should also be black. We thank you in anticipation of your support in making sure your children are in full school winter uniform on photo day.

This photo will provide a long distance view of all students, probably in the formation of the number 25. Despite it being a long distance image, students who are not in uniform are likely to stand out. The effect of the photo will be the uniformity of the clothing they are wearing.

We will look forward to sharing this photo with our community when it is returned to us next term.
